## Your trusted solutions for your chemical needs

Chemline Scientific Corporation is a trusted industry leader that specializes in the import, distribution, and retail of a wide spectrum of laboratory chemicals, glasswares & plasticwares, scientific instruments & equipment, and repair in the Philippines.

With over 36 years of experience, our extensive product catalog and dedication to our customers, makes us the preferred partner providing essential tools, support, and repair services for scientific research and quality control for industries across the country.

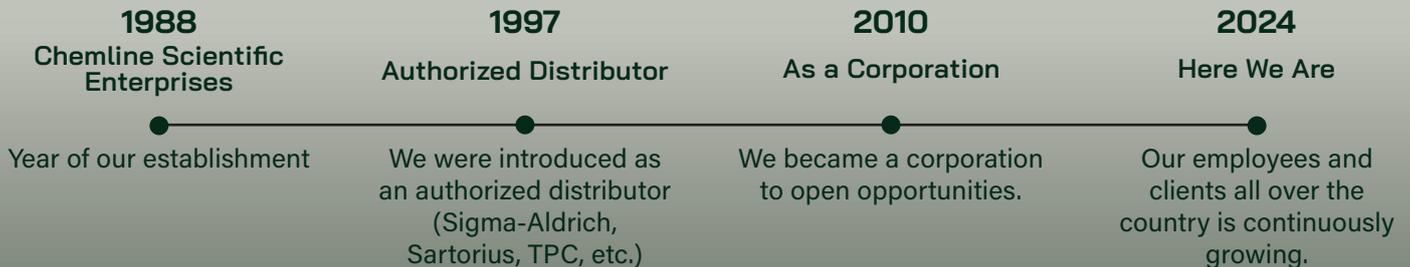

### MISSION

At Chemline Scientific Corporation, we aim to be a trusted partner in the industry by providing high-quality products, exceptional service, and innovative solutions. We are dedicated to ensuring the safety, efficiency, and reliability of our clients' operations through a commitment to excellence, sustainability, and continuous improvement.

### VISION

Chemline shall be recognized as the leading chemical distributor in the country known for setting standards in reliability. We envision a future where our innovative approaches enhance the success of our clients, foster industry growth, and contribute positively to global, environmental, and safety standards.

### OUR MILESTONES

### OUR PRODUCTS

#### Laboratory Chemicals

We offer a wide selection of materials such as solvents, reagents, acids, bases, and other compounds in various grades to cater to your specialized needs.

#### Labware & equipment

Through our partnerships with brands you know and trust, we supply laboratory equipment, glasswares, and plasticwares.

#### PCR Consumables & Kits

We provide an extensive range of products designed for PCR procedures. Such products include kits, PCR reagents, and other consumables.

### INDUSTRIES WE SERVE

Government  
Institutions

Hospitals

Academe

Pharma &  
Biotech

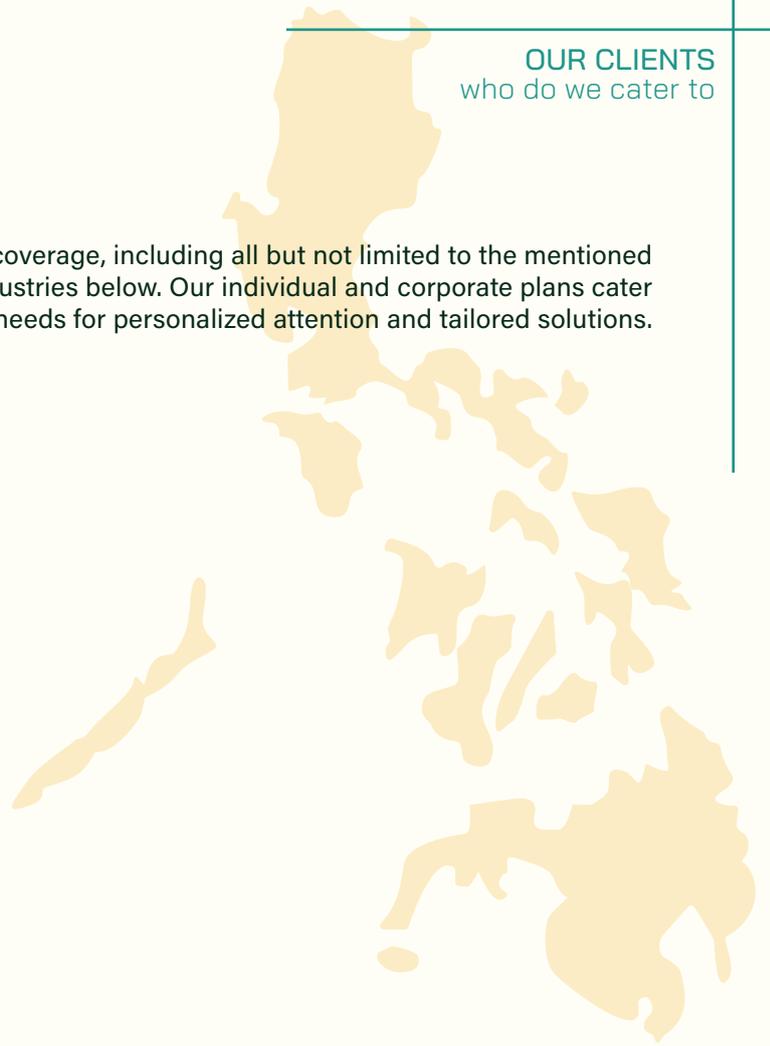

Manufacturing

Testing  
Laboratories

We have **nationwide** coverage, including all but not limited to the mentioned institutions and industries below. Our individual and corporate plans cater to diverse needs for personalized attention and tailored solutions.

### GOVERNMENT INSTITUTIONS

DOH - RITM  
Department of Agriculture  
DOST - FNRI  
PhilRice

### HEALTH CARE & HOSPITALS

East Avenue Medical Center  
St. Luke's Medical Center  
UST Hospital  
Lung Center of the Philippines

### R&D and ACADEME

UP System  
De La Salle University  
Ateneo De Manila University  
State Colleges & Universities

### PHARMA & MANUFACTURING

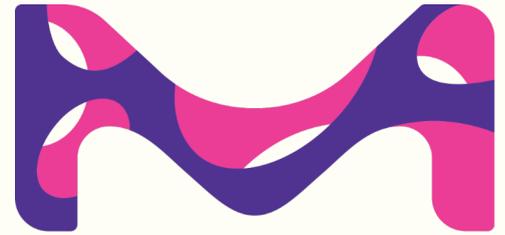

San Miguel Corporation  
Interphil  
Ostrea  
Del Monte Philippines

### TESTING LABORATORIES

Sentrotek  
Intertek  
PIPAC  
Qualibet

# MERCK

## Sigma-Aldrich®

Lab & Production Materials

The Sigma-Aldrich® portfolio within Merck offers a broad and deep portfolio of lab and production materials paired with technical support and scientific partnerships, which embodies our shared quest for scientific advancement.

## SAFC®

Pharma & Biopharma  
Raw Material Solutions

Within the SAFC® portfolio, Merck offers customised and ready-to-use raw material solutions, backed by deep regulatory expertise. We go beyond just the raw materials as we understand your need for patient safety, security and scalability to get health solutions to patients, faster.

## Milli-Q®

Lab Water Solutions

The Milli-Q® portfolio offered by Merck is focused on a range of intuitive, easy-to-use lab water instruments that seamlessly integrate into your daily work. To enable you to stay ahead, we constantly innovate to answer the needs of tomorrow.

## Millipore®

Preparation, Separation,  
Filtration & Monitoring Products

Merck offers the Millipore® portfolio of leading preparation, separation, filtration and testing products and technologies – strongly rooted in quality, reliability, time-tested processes and regulatory expertise.

## Supelco®

Analytical Products

Merck has created the Supelco® portfolio of analytical products, built on providing accuracy and reliability and developed for analytical chemists, by analytical chemists.

## BioReliance®

Pharma & Biopharma  
Manufacturing & Testing Services

The BioReliance® portfolio of Merck encompasses exceptional, risk-mitigating approaches, testing, critical services and customised, complete solutions to help you bring life-changing drugs to market, faster.
